PLAINTIFF’S NOTICE OF DIRECTLY RELATED CASES

Pursuant to Rule 40.2 of the Rules of the United States Court of Federal Claims, the undersigned counsel for RavenTek Alliance, LLC (“RavenTek Alliance”) in the above-captioned action provides as follows for its Notice of Directly Related Cases:

- a) RavenTek Alliance’s protest relates to Solicitation No. 70RTAC21R00000003 (“Solicitation”) for the FirstSource III Department-Wide Information Technology Value Added Reseller and Software Solutions (“FirstSource III”) procurement issued by the Department of Homeland Security (“Agency”).

- b) RavenTek Alliance respectfully submits that this case is directly related to *Westwind Partners, LLP v. United States*, No. 24-1504, which is a consolidated case assigned to the Honorable Edward H. Meyers and consisting of the following consolidated cases: *V3Gate Partners, LLC v. United States*, No. 24-1505; *Solaris Colorado, LLC v. United States*, No. 24-1508; *enDevelopment, LLC v. United States*, No. 22-1529; *NCS Technologies, Inc. v. United States*, No. 24-1543; and *Blue Tech Inc. v. United States*, No. 24-1552. This case is also directly related to *GovSmart, Inc. v. United States*, No. 24-cv-01596-EHM, which was filed on October 8, 2024.

- c) This case qualifies for treatment as a directly related case under RCFC 40.2(a)(2)(B) because they involve the same contract, namely the FirstSource III Solicitation. To the best of RavenTek Alliance's knowledge, the plaintiffs in the above cases have also challenged the Government's evaluation of their proposals and decision not to award them a contract under the Solicitation.
- d) RavenTek Alliance expects that assigning this case to Judge Meyers will conserve judicial resources and promote the efficient administration of justice, because the cases will likely be based on the same or substantially similar Administrative Record.
